- (b) That it is necessary and advisable to issue bonds for the purpose of paying the cost of constructing additions and improvements to the existing water system;
- (c) That the cost to the Village of the construction of the additions and improvements to the water system will not exceed \$715,000;

The Bonds shall be dated as of their date of delivery and shall mature on the dates, be issued in the principal amount and shall bear interest at the rates per annum all as determined in the Bond Purchase Agreement (the "Agreement") signed by the Chairperson or Village Clerk (each an "Authorized Officer", and together, the "Authorized Officers") on behalf of the Village and agreed to by Piper Sandler & Co. (the "Underwriter"), which Agreement may also set the pricing terms and the terms pursuant to which the Bonds may be redeemed prior to maturity, all within the following limitations:

- (a) the aggregate principal amount of the Bonds shall not exceed \$715,000;

The Authorized Officers are authorized to establish the final terms for the Bonds and arrange for issuance of the Bonds without further action by the Board, provided, however, that the authority of the Authorized Officers to act without further action by the Board shall lapse if not exercised on or before March 31, 2025. The Bonds shall be issued in the denomination of \$5,000 or any integral multiple thereof and shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchasers thereof. Interest on the Bonds shall be computed on the basis of a three hundred sixty-day year consisting of twelve thirty-day months. owner of each Bond, as of the applicable Record Date, to such owner's registered address as shown on the books of registration, as required to be maintained in Section 3 hereof. Payment of principal due at maturity or at any

date fixed for redemption, together with any accrued interest then due, shall be made by said Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to said Paying Agent and Registrar. In the event that Bonds of this issue are held in the nominee name of a national clearinghouse or depository, payment of principal or interest shall be made by wire transfer of funds in accordance with any applicable regulations governing "Depository Eligible Securities". The Village and said Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the Village nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond shall be valid and effectual and shall be a discharge of the Village and said Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid. If any Bond is not paid upon presentation of the Bond at maturity or any interest installment is not paid when due, the delinquent Bond or delinquent interest installment shall bear interest thereafter until paid at a rate equal to the rate assessed against delinquent taxes under Section 45-104.01 R.R.S. Nebraska, 2010, as now existing or as the same may be amended from time to time by the Nebraska Legislature.

Section 3. The Village Treasurer in Ceresco, Nebraska is hereby designated as Paying Agent and Registrar for the Bonds, provided that the Chairperson may, in his or her discretion, appoint some bank with trust powers or trust company to serve as Paying Agent and Registrar under the terms of this Ordinance as may be determined from time to time. The Authorized Officers, or either of them, are authorized to sign an agreement with the Paying Agent as may be necessary from time to time to provide for such services. The Paying Agent and Registrar shall keep and maintain for the Village books for the registration and transfer of the Bonds at the office of the Paying Agent and Registrar in Ceresco, Nebraska or the office of any duly appointed successor, as applicable. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the office of the Paying Agent and Registrar upon surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to such Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar will register such transfer upon said registration books and deliver to the transferee registered owner or owners (or send by registered mail to the transferee owner or owners at such owner's or owners' risk and expense), registered in the name of such transferee owner or owners, a new Bond or Bonds of the same interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this ordinance, one Bond may be transferred for several such Bonds of the same interest rate and maturity and for a like aggregate principal amount, and several such Bonds may be transferred for one or several such Bonds, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond or Bonds shall be cancelled and destroyed. All Bonds issued upon transfer of the Bonds so surrendered shall be valid obligations of the Village evidencing the same obligations as the Bonds surrendered and shall be entitled to all benefits and protection of this ordinance to the same extent as the Bonds upon transfer of which they were delivered. The Village and the Paying Agent and Registrar shall not be required to transfer Bonds during any period from any Record Date until its immediately following interest payment. In the event that payments of interest due on the Bonds on an interest payment date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such interest payment date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 4. Bonds maturing more than five (5) years after their date of issue shall be subject to redemption, in whole or in part, prior to maturity at any time on or after the fifth anniversary of the date of delivery of such Bonds at a redemption price equal to 100% of the par amount thereof plus accrued interest on the principal amount redeemed to the date fixed for redemption. The Village may select the Bonds to be redeemed from such optional redemption in its sole discretion, but Bonds shall be redeemed only in the amount of \$5,000 or integral multiples thereof. Any Bond redeemed in part only shall be surrendered to the Paying Agent and Registrar in exchange for a new Bond evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given at the direction of the Chairperson and Board by the Paying Agent and Registrar by mail not less

VILLAGE BOARD OF TRUSTEES

than thirty days prior to the date fixed for redemption, first class postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by

number and maturity, the date of original issue, the date fixed for redemption and state that such Bond or Bonds are to be presented for prepayment at the office of the Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the Chairperson and Board designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the Chairperson and Board shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 5. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the Village where the office of the Paying Agent is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 6. The Bonds shall be executed on behalf of the Village by being signed by the Chairperson and the Village Clerk, both of which signatures may be facsimile signatures, and shall have the Village seal impressed on each Bond, which may be a facsimile seal. The Village Clerk shall make and certify a transcript of proceedings had and done precedent to the issuance of said Bonds which shall be delivered to the purchaser of said Bonds. After being executed by the Chairperson and Village Clerk, said Bonds shall be delivered to the Treasurer of the Village who shall be responsible therefor under his/her official Bond. Such Treasurer shall maintain a record of information with respect to said Bonds in accordance with the requirements of Section 10-140, R.R.S. Nebraska 2012, as amended, and shall cause the same to be filed with the office of the Auditor of Public Accounts of the State of Nebraska. The Paying Agent and Registrar shall register each Bond in the name of its initial registered owner as designated by the initial purchaser. Each Bond shall be authenticated on behalf of the Village by the Paying Agent and Registrar. The Bonds shall be issued initially as "book-entry only" bonds using the services of The Depository Trust Company (the "Depository"), with one typewritten Bond per maturity being issued to the Depository. In such connection said officers of the Village are authorized to execute and deliver a letter of representations and inducement (the "Letter of Representations") in the form required by the Depository (which may include any "blanket" letter previously executed and delivered), for and on behalf of the Village, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon issuance of the Bonds as "book-entry-only" bonds, the following provisions shall apply:

(a) The Village and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a "Bond Participant") or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each a "Beneficial Owner") with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds;

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds.

The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the

obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable to or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the Village, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the Village determines that it is desirable that certificates representing the Bonds be delivered to the ultimate Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section and the terms of the Paying Agent and Registrar's Agreement (if any).

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the Village of book-entry-only form, the Village shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the Village agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the Village until authenticated by the Paying Agent and Registrar. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication.

**ISSUER NAME:** VILLAGE OF CERESCO, NEBRASKA

**COMPLIANCE OFFICER (BY TITLE):** VILLAGE CLERK

**POLICY**

It is the policy of the Issuer identified above (the "Issuer") to comply with all Federal tax requirements and securities law continuing disclosure obligations for its obligations issued as tax-exempt bonds (or as tax credit, direct pay subsidy or other tax-advantaged bonds, as applicable) to ensure, as applicable (a) that interest on its tax-exempt bonds remains exempt from Federal income tax, (b) that the direct payments or tax credits associated with its bonds issued as tax advantaged bonds are received in a timely manner and (c) compliance with any continuing disclosure obligations of the Issuer with respect to its outstanding bonds.

**PROCEDURES**

Compliance Officer. Review of compliance with Federal tax requirements and securities law continuing disclosure obligations as generally outlined below shall be conducted by the Compliance Officer identified above (the "Compliance Officer"). To the extent more than one person has been delegated specific responsibilities, the Compliance Officer shall be responsible for ensuring coordination of all compliance review efforts.

Training. The Compliance Officer shall evaluate and review educational resources regarding post-issuance compliance with Federal tax and securities laws, including periodic review of resources published for issuers of tax-exempt obligations by the Internal Revenue Service (either on its website at <http://www.irs.gov/taxexemptbond>, or elsewhere) and the Municipal Securities Rulemaking Board (either on its Electronic Municipal Market Access website ["EMMA"] at <http://www.emma.msrb.org>, or elsewhere).

Compliance Review. A compliance review shall be conducted at least annually by or at the direction of the Compliance Officer. The review shall occur at the time the Issuer's annual audit takes place unless the Compliance Officer otherwise specifically determines a different time period or frequency of review would be more appropriate.

Scope of Review.

Document Review. At the compliance review, the following documents (the "Bond Documents") shall be reviewed for general compliance with covenants and agreements and applicable regulations with respect to each outstanding bond issue:

- (a) the resolution(s) and/or ordinance(s), as applicable, adopted by the governing body of the Issuer authorizing the issuance of its outstanding bonds, together with any documents setting the final rates and terms of such bonds (the "Authorizing Proceedings"),
- (b) the tax documentation associated with each bond issue, which may include some or all of the following (the "Tax Documents"):
  - (i) covenants, certifications, and expectations regarding Federal tax requirements which are described in the Authorizing Proceedings;
  - (ii) Form 8038 series filed with the Internal Revenue Service;
  - (iii) tax certificates, tax compliance agreements, tax regulatory agreement or similar documents;
  - (iv) covenants, agreements, instructions, or memoranda with respect to rebate or private use;
  - (v) any reports from rebate analysts received as a result of prior compliance review or evaluation efforts; and
  - (vi) any and all other agreements, certificates and documents contained in the transcript associated with the Authorizing Proceedings relating to federal tax matters.

- (c) the Issuer's continuing disclosure obligations, if any, contained in the Authorizing Proceedings or in a separate agreement (the "Continuing Disclosure Obligations"), and
- (d) any communications or other materials received by the Issuer or its counsel, from bond counsel, the underwriter or placement agent or its counsel, the IRS, or any other material correspondence relating to the tax-exempt status of the Issuer's bonds or relating to the Issuer's Continuing Disclosure Obligations.

*Use and Timely Expenditure of Bond Proceeds.* Expenditure of bond proceeds shall be reviewed by the Compliance Officer to ensure (a) such proceeds are spent for the purpose stated in the Authorizing Proceedings and as described in the Tax Documents and (b) that the proceeds, together with investment earnings on such proceeds, are spent within the timeframes described in the Tax Documents, and (c) that any mandatory redemptions from excess bond proceeds are timely made if required under the Authorizing Proceedings and Tax Documents.

*Arbitrage Yield Restrictions and Rebate Matters.* The Tax Documents shall be reviewed by the Compliance Officer to ensure compliance with any applicable yield restriction requirements under Section 148(a) of the Internal Revenue Code (the "Code") and timely calculation and payment of any rebate and the filing of any associated returns pursuant to Section 148(f) of the Code. A qualified rebate analyst shall be engaged as appropriate or as may be required under the Tax Documents.

*Use of Bond Financed Property.* Expectations and covenants contained in the Bond Documents regarding private use shall be reviewed by the Compliance Officer to ensure compliance. Bond-financed properties shall be clearly identified (by mapping or other reasonable means). Prior to execution, the Compliance Officer (and bond counsel, if deemed appropriate by the Compliance Officer) shall review (a) all proposed leases, contracts related to operation or management of bond-financed property, sponsored research agreements, take-or-pay contracts or other agreements or arrangements or proposed uses which have the potential to give any entity any special legal entitlement to the bond-financed property, (b) all proposed agreements which would result in disposal of any bond-financed property, and (c) all proposed uses of bond-financed property which were not anticipated at the time the bonds were issued. Such actions could be prohibited by the Authorizing Proceedings, the Tax Documents or Federal tax law.

*Continuing Disclosure.* Compliance with the Continuing Disclosure Obligations with respect to each bond issue shall be evaluated (a) to ensure timely compliance with any annual disclosure requirement, and (b) to ensure that any material events have been properly disclosed as required by the Continuing Disclosure Obligation.

Record Keeping. If not otherwise specified in the Bond Documents, all records related to each bond issue shall be kept for the life of the indebtedness associated with such bond issue (including all tax-exempt refundings) plus six (6) years.

Incorporation of Tax Documents. The requirements, agreements and procedures set forth in the Tax Documents, now or hereafter in existence, are hereby incorporated into these procedures by this reference and are adopted as procedures of the Issuer with respect to the series of bonds to which such Tax Documents relate.

Consultation Regarding Questions or Concerns. Any questions or concerns which arise as a result of any review by the Compliance Officer shall be raised by the Compliance Officer with the Issuer's counsel or with bond counsel to determine whether non-compliance exists and what measures should be taken with respect to any non-compliance.

VCAP and Remedial Actions. The Issuer is aware of (a) the Voluntary Closing Agreement Program (known as "VCAP") operated by the Internal Revenue Service which allows issuers under certain circumstances to voluntarily enter into a closing agreement in the event of certain non-compliance with Federal tax requirements and (b) the remedial actions available to issuers of certain bonds under Section 1.141-12 of the Income Tax Regulations for private use of bond financed property which was not expected at the time the bonds were issued.
